It was learned, through contact with the LAPD command post, in the vicinity of the Elk's Club, that Vice President Humphrey attempted to speak to the assembled crowd; but was booed by several young negroes. The Vice President quickly terminated his speech and left the hall without further incident.

On July 28, 1968, a demonstration, sponsored by the PAC, was staged in the vicinity of the Century Plaza Hotel, Avenue of the Stars and Constellation, Los Angeles, against the appearance of Vice President Humphrey in Los Angeles. The demonstration commenced at 4:00 p.m. and lasted until approximately 8:00 p.m. The LAPD estimated, at first, a crowd of 3,500 to 4,000 participants. The LAPD advised that 13 arrests were made in the vicinity of the Century Plaza Hotel. Most of the arrests were for the use of obscene language toward policemen. No major incident occurred as the LAPD acted quickly to keep the crowd orderly.

As the crowd dwindled in the vicinity of the Century Plaza Hotel, leaders of the demonstration urged members of the DAC and VFP to go to Warner Brothers Studio, Burbank, and stage another demonstration to coincide with Vice President Humphrey's appearance there at approximately 9:00 p.m. on July 23, 1968.

The July 29, 1968 issue of the Los Angeles Herald Examiner, a Los Angeles daily newspaper, indicated that stones had been hurled at police officers during the Century Plaza demonstration. This report was not substantiated through contact with the LAPD. The same issue of this paper depicts a female in the grasp of two police officers. The picture shows this female on her knees and the photo is captioned "Girl Winds Up On Pavement During Melee". A Special Agent of the FBI recalls that on July 23, 1968, the 11:00 p.m. newscast on KMTV-TV showed films of the demonstration. The film showed that the female, mentioned above, was being picked up by the officers when she refused to rise on her own initiative.

Throughout the demonstrations contact was maintained by Special Agents of the FBI with Secret Service, Los Angeles.

APPENDIX

COMMUNIST INFILTRATION OF THE
WOMEN STRIKE FOR PEACE,
Also Known As
Women's International Strike for Peace

[REDACTED], that the Women Strike for Peace (WSP) in the Southern California area began its operations in the late fall of 1961, as an affiliate of the national organization formed that year in Washington, D. C. It is a peace oriented women's organization which is opposed to the present American foreign policy in Vietnam. It has also sought legislation which would bring about the abolition of the House Committee on Un-American Activities. In addition to conducting numerous letter writing campaigns which concern current United States civil rights and foreign policy problems, WSP locally has become quite active in draft counseling and draft leafletting. Counseling, in the form of providing information concerning alternatives to the draft, and distributing leaflets providing this information have taken place on an increasingly consistent pace. Much of the leafletting takes place adjacent to high school campuses and in shopping centers. WSP feels that these methods of opposing United States intervention in Vietnam have been quite effective and more effective than frequent participation in demonstrations protesting the war in Vietnam. b7d

[REDACTED] that WSP is a non-membership organization and has no officers. The organization is open to women of all political opinions who are interested in world peace. It makes no effort to exclude from its activities members of, or persons sympathetic to, the Communist Party and related groups. b7c b7d

The guiding force behind the Southern California WSP groups is [REDACTED]

[REDACTED] advised that Southern California WSP maintains its office at 5899 West Pico Boulevard, Los Angeles.

COMMUNIST PARTY, USA
MARXIST-LENINIST (CPUSA, M-L)

[REDACTED] advised that the West Coast Provisional Organizing Committee for a Marxist-Leninist Communist Party (WCPOC) was formed in Los Angeles, California, on August 23, 1965, [REDACTED]. Although similar in name, the newly organized WCPOC had no connection whatsoever with the Provisional Organizing Committee for a Marxist-Leninist Communist Party (POC) or the latter's West Coast POC.

[REDACTED] advised that a National Conference of the newly formed WCPOC was held over the September 4-5, 1965, weekend in Los Angeles. At that meeting, the name WCPOC was dropped, and the CPUSA, M-L was formed under [REDACTED]. The CPUSA, M-L has the following aims and purposes:

1. To conduct guerrilla warfare training, including the use of firearms;
2. To organize CPUSA, M-L cells in the South to exploit all "racial situations" that might arise there, to agitate the population, and create situations which would require the use of Federal Troops so that Americans would be fighting Americans;
3. To establish and maintain an accelerated recruiting program to include acceptance of anyone who is an anti-imperialist.

[REDACTED] advised that the CPUSA, M-L continued to exist.
